WeWork 51 Eastcheap is a new 10-story office building in the heart of London

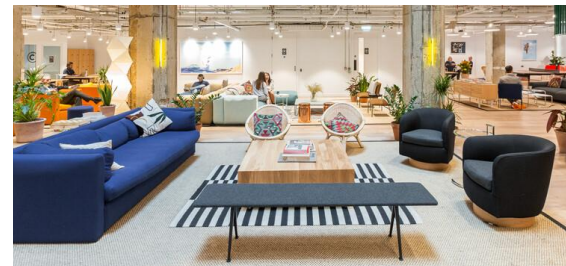

- Originally constructed in the 1980s, the building was recently renovated offering 10 floors of modern serviced office space in an area that blends past and present.
- Amazing views of London from the one of a kind roof terrace.
- Benefits from a large communal floor with barista, and event space.
- Floor to ceiling windows flood the floors with light.
- Food, beverage, and retail options on Eastcheap.
- Near Monument, Bank, Liverpool St and Tower Hill tube stations and bike parking is available.
